Fax: (785) 738-3357

Dear Beloit Elementary School Parents,

We are currently putting together a continuous learning plan as directed by the Kansas State Department of Education. This plan will detail how we will deliver instruction for the rest of the school year. We plan to deliver instruction in an online format starting on April 6th. Our teachers will spend March 30th through April 3rd planning for this new instructional format.

Our plan will be to use online tools such as Google Classroom and Zoom to provide online instruction to the students. We will not have students coming to the school during this time. KSDE has provided us with maximum student commitment guidelines that we will follow. This is 30 minutes per day for preschool, 45 minutes per day for K-1, 60 minutes per day for 2-3, and 90 minutes per day for 4-6. We will provide maximum flexibility during this time.

Your child's teacher will be contacting you with more details after spring break. Frequent and consistent communication with your child's teacher will be critically important to make this learning format a success. Since our plan relies heavily on technology, please call the district office at 785-738-3261 to let them know if you need devices or internet access to receive online instruction.

We will be allowing students to come get school supplies and curriculum materials during the week of March 30th through April 3rd. Your child's teacher will contact you to schedule a time to come pick up the needed materials.

Again, specific information will be provided to you after spring break.

Sincerely,

A handwritten signature in cursive script that reads "Brady Dean".
