ORIGINATING DEPARTMENT:	TYPE OF ACTION: <input type="checkbox"/> ORDINANCE <input type="checkbox"/> RESOLUTION

RECOMMENDATION:

I recommend that the City Council approve requested 30 day extension for the Downtown CDBG project.

FISCAL NOTE:

- There is no cost to the city for approving this item. All funds for this project have come from the Department of Commerce's block grant program with a local match provided by the local business owners.

DISCUSSION:

The property owners for the downtown rehabilitation block grant are requesting an additional 30 day extension for this project. The project had the initial completion date of July 31, 2015 but the project has come under budget and the property owners want to do more exterior work to the buildings. Below is a message from Jeff Roberg requesting the extension for this project.

Respectfully submitted,

Glenn Rodden
City Administrator

Glenn Rodden,
We would like to request a 30 day extension from October 31, 2015 for the Downtown Commercial Rehabilitation project CDBG# 13-CR-001.
We are trying to get the store front windows and doors replaced with more energy efficient windows. The manufactures is telling us that they can get it finished in 30 days. We would appreciate if the City of Beloit would grant us a 30 day extension to finish up this successful project.

Thanks
Jeff Roberg

RECOMMENDATION:

I recommend that the Council approve the enclosed Early Retirement Incentive Plan.

FISCAL NOTE:

- None

DISCUSSION:

The attached policy would provide an early retirement incentive for current employees who qualify for retirement under KPERS, but do not yet qualify for health care coverage under Medicare. This policy would allow a current employee to retire and stay on the city's health care plan for a period of time that is linked to their number of years of service to the city. I have a few city employees tell me during the past month that they would submit for early retirement if this plan is adopted. The council approved a temporary retirement incentive three years ago and four individuals applied for early retirement.

The council has three options: 1. Approve a policy for one year; 2. Approve a permanent policy; or 3. Do nothing.

Respectfully submitted,

Glenn Rodden
City Administrator

**GENERAL RELEASE AGREEMENT
And Notice of Voluntary Retirement**

Date of Receipt: _____, 20__
Date to be noted by City Clerk's Office

Employee Name: _____

Employee Date of Birth: _____

Address: _____

Retirement Date: _____

(must be a date no later than June 1st, 2016).

Effective Date: _____
(7 calendar days from date of signature unless DECLINED by the City Administrator within 7 days from date of receipt by City Clerk).

Notice to Employee: You should thoroughly review and understand the effect of this document before acting upon it. You are advised to consult with an attorney and financial or tax advisor prior to signing this General Release Agreement. Therefore, please take this General Release Agreement home and carefully consider it before you decide whether to sign it. You have until 5:00 p.m. on November 30th, 2015 to return this General Release Agreement, signed and notarized.

This General Release Agreement is entered into this ___ day of _____, 20__, by and between the City of Beloit (hereafter referred to as "The City") and the employee whose name appears above (hereafter referred to as "Employee" or "you").

If you sign and return the original of this General Release Agreement, on or before November 30th, 2015 and do not revoke it within seven (7) calendar days, The City, upon acceptance of this General Release Agreement, will provide you Incentive pay and benefits as described below.

1. **Incentive Pay and Benefits.** The Employee may elect one of the following two options offered by the City under its Voluntary Retirement Incentive Program:

EMPLOYEE IS TO CHECK OPTION 1 OR OPTION 2

- Option 1: For those employees retiring and opting to continue coverage under the City's retiree health plan:
 - (i) 100 % of the employee's eligible accrued sick leave will be paid to the Employee at the employee's current base hourly rate of pay following your retirement date (as indicated above) (whereas current policy ordinarily allows only 50% of accrued sick after ten years of service); and

- (ii) 100% of the cost for a base level health benefit (excluding dental) for a period of time determined by your years of service determined as follows, for every ten (10) years of service you may receive either [select one]:

- twelve (12) months of paid single health insurance, or

- six (6) months of paid family health insurance.

The City will pay for the base health insurance plan (which will currently include a deductible \$1,500 for a single plan and a deductible of \$1,500/\$3,000 for a family plan; this base plan may change from year to year depending upon the City's contract with the insurance provider). The employee may elect for a different tier of deductible under the health plans offered, but the employee will be responsible for the difference in premium.

- Option 2: For those employees retiring and opting **not** to continue coverage under the City's retiree health plans:

- (i) 100% of the employee's eligible accrued sick leave will be paid to the Employee at the employee's current base hourly rate of pay following your retirement date (as indicated above) (whereas current policy ordinarily allows only 50% of accrued sick leave after ten years of service); and

- (ii) In lieu of receiving continued health benefits you will receive a one-time lump sum payment equal to \$500 for each year of service. This is in addition to the payout of accrued sick leave as described above.

2. **General Release.** In consideration for the incentive pay and benefits described in paragraph 1 above, you release and forever discharge The City, its employees and successors, as well as its officers, agents, directors, employees, trustees and benefit plans from any and all liability, actions and claims, known or unknown, fixed or contingent, that you now have or may claim to have arising out of your employment relationship with The City or termination of that relationship.

This release includes claims arising under federal, state, or local laws prohibiting employment discrimination, retaliation or claims growing out of any legal restrictions on the City's right to terminate its employees, and any claims or rights which Employee may have including, but not limited to, claims, damages and liabilities which exist on the date of this Agreement for: (a) wrongful discharge, (b) disability discrimination, (c) sexual harassment, (d) race discrimination, (e) sex discrimination, (f) religious discrimination, (g) national origin discrimination, (h) breach of an employment contract, or any other contract, (i) age discrimination, (j) retaliatory discharge, (k) wage/hour or overtime violations, (l) defamation, (m) any claim for reimbursement of legal fees, (n) any statutory claim, excluding claims currently pending before the Division of Workers Compensation of the Department of Labor; (o) any tort or equitable claim or any other claim arising from or in any way connected to the Employee's employment by the City, (p) fraud, (q) violation of the Worker Adjustment and Retraining Notification Act, (r) violations under the federal Fair Credit Reporting Act and any state statute regarding credit reporting, (s) any claim under the Kansas Wage Payment Act, (t) violations of the Family and Medical Leave Act ("FMLA"), (u) negligent or intentional infliction of emotional distress, (v) any claims under the Kansas Act Against Discrimination, Title VII of the Civil Rights Act of 1964 (as amended), 42 U.S.C. 1081, the Americans with Disability Act Amendment Act ("ADAAA"), the Age Discrimination in Employment Act ("ADEA"), the Older Worker's Benefit Protection Act ("OWBPA"), (w) claims of breach of express or implied contract, (x) any claims for physical and/or mental injury including emotional or psychological distress, (y) wages, payments for pension or other benefits

based upon a claim that such wages and benefits have been unlawfully affected by the act of The City or its officers, agents or employees, (z) for job retention of the position or any claim of rights to any other position with The City, (aa) under the Kansas Public Employer-Employee Relations Act, and (bb) any claims which employee may assert for acts or omissions by The City, its officers, agents or employees.

This General Release does not govern claims that cannot be released by private agreement, such as claims for vested benefits due under the terms of any pension or retirement plan sponsored or maintained by The City, and any claims or rights that may arise after the date on which this General Release Agreement became effective. Also excluded from this General Release Agreement is your right to file a charge with an administrative agency or participate in any agency investigation. You are, however, waiving all rights to recover money in connection with any such charge, investigation or related lawsuit.

3. **Litigation Costs.** If The City initiates a proceeding to enforce this General Release Agreement and The City prevails, in whole or in part in that proceeding, you acknowledge and agree to pay all costs and expenses incurred by The City in connection with that proceeding including reasonable attorney's fees, and all further costs and fees including reasonable attorney's fees incurred by The City in connection with the collection of any award, attorney's fees or costs associated with that action. Excluded from this paragraph is your right to challenge in good faith under the ADEA or the OWBPA the validity of this General Release Agreement. Any challenge of the validity of this Agreement under the ADEA or OWBPA does not require repayment of any amounts paid to you under this Agreement.
4. **Choice of Law, Choice of Venue, Jury Trial and Class Action Damage Waiver.** You acknowledge and agree that this General Release Agreement shall be governed by and is to be interpreted according to the laws of the State of Kansas. You and The City agree that venue is proper in the District Court in Mitchell County, Kansas, and in the United States District Court for the District of Kansas, and consent to the jurisdiction of such courts. You expressly waive and relinquish the right to a trial before a jury in any action, brought in any court, concerning this General Release Agreement or any other claim against The City. You also expressly waive the right to collect money damages in any class or collective action against The City.
5. **Acknowledgements.** You acknowledge and agree that: The separation benefits described in paragraph 1 of this General Release Agreement are in addition to whatever you are already entitled to receive separate from this Agreement.
6. **Severability.** Should paragraph 2 be declared illegal or unenforceable, The City has the right to stop the payment of any incentives and benefits, and recover from you any incentives and benefits already paid to you. You acknowledge and agree that if any other provision of this General Release Agreement is declared illegal or unenforceable in a legal proceeding between you and The City; such provision shall immediately become null and void, leaving the remainder of the General Release Agreement in full force and effect.
7. **Entire Agreement.** You agree that The City has not promised you anything to induce you to enter into this General Release Agreement other than as specifically stated in this Agreement. The City does not have any implied obligations under this Agreement.

8. **Revocation.** You have the right to revoke this General Release Agreement by written notice to Amanda J. Lomax, City Clerk/Finance Director at City of Beloit, 119 North Hersey, Beloit, KS 67420 within 7 calendar days after you sign it, and the General Release Agreement will not become effective or enforceable until after 7 calendar days have passed.

Please acknowledge your acceptance of this General Release Agreement by signing this agreement and returning it by 5:00 pm on November 30th, 2015. By signing, you are acknowledging that you have carefully read and fully understand all the provisions of this General Release Agreement (including the Notice to Employee on page 1 of this Agreement), and that it is the entire agreement between you and The City relating to your employment and the termination of it, and you acknowledge that in entering into this General Release Agreement, you have not relied upon any representation or statement, written or oral, not set forth in this document. You also acknowledge your signature on this document is voluntary.

RECOMMENDATION:

I recommend that the city council approve the Intake Water Pump and Piping Bid from Douglas Pump Service, Inc. in the amount of \$54,721.00.

FISCAL NOTE:

Funding is available under Water Plant Division 51-41-7490 (FY2015 Budget is \$69,327.00 with a current balance of \$67,066.87 as of 10-6-2015).

Douglas Pump Service, Inc	\$54,721.00
Clarke Well & Equipment, Inc	\$57,964.00

DISCUSSION:

Respectfully submitted,

Glenn Rodden
City Administrator

To: Glenn Rodden, Mayor and City council

From: James Bentz (Director of Water/Wastewater Operations)

Intake raw water pump, piping, meter and VFD for pumping new water rights

I let out bids for a complete removal of old equipment and installation of new pump, motor, VFD control, Meter and all associated piping. This is required to be able to use the new water rights acquired in 2013. The first bid letting only brought one bid, and I did not feel comfortable with just one for a project of this cost. With Stuart Porter's assistance I rebid this project and received the following three bids.

Layne-Christensen	\$81,779.00
-------------------	-------------

Clarke Well & Equipment, Inc.	\$57,964.00
-------------------------------	-------------

Douglas Pump Service, Inc.	\$54,721.00
----------------------------	-------------

Besides being low bid, we have used Douglas Pump Service many times in the past with good results. I thereby recommend we accept Douglas Pump Service, Inc. bid of \$54,721.00 for the completion of this project.

Adequate funds have been budgeted for in the 2015 Water Plant budget, line 51-41-7490.

BID NOTICE

The city of Beloit, Kansas, 119 North Hersey, Beloit, Kansas, will be accepting bids at the office of the City Clerk until:

TIME: 3:00 PM

DATE: Sept. 30th 2015

for the purchase of the following item(s)/material(s):

This bid is for a "turn key" installation of a Vertical Turbine Pump, motor, VFD, check valve, Meter w/ remote read and all associated piping, as set out in attached blue prints. Please adhere to General Notes on blue prints.

Pump shall be a single stage vertical turbine, rated for 1275 GPM at 55 ft. TDH. With brass/bronze intake screen

Motor shall be a 230 volt, 3 phase, inverter duty, premium efficient motor sized for pump capacity.

VFD shall be a Yaskawa Varispeed P7 or equivalent.

Electromagnetic meter brand is at bidders discretion, So as it does have full bore as noted in blue prints. And the required 5 upstream/2 downstream pipe diameters for proper operation. Equipped with remote read at upper level.

Bidders are responsible to field verify all measurements.

Awarded bidder will remove and dispose of existing pump and related piping. Install new pump motor, riser pipes and shaft, pump w/strainer screen, mag-meter w/remote read at upper level, check valve and all necessary piping and supports.

If possible, we stress that pump must be fully operational by Dec. 31st 2015.

All item(s)/material(s) are to be bid F.O.B., Beloit, Kansas.

All bids are to be submitted in a sealed envelope prominently marked

1. EPA represents the Effective Projected Area of each luminaire. Designs are limited to one luminaire per arm. Variations from sizes above are available upon inquiry at the factory. Satisfactory performance of poles is dependent upon the pole being properly attached to a supporting foundation of adequate design.
2. Structure Weight is a nominal value which includes the pole shaft, base plate and luminaire arm(s) only.

Pole Top - A removable pole cap with hardware is provided.

Luminaire Arm - Luminaire arms are made from 2" schedule 40 pipe (2.38" OD) with a minimum yield strength of 36,000 psi. Double luminaire arms are oriented 180° apart. For other orientations please consult factory.

Luminaire Arm Attachment - Connection allows arm to be erected and held in place by gravity and secured by four bolts.

Handhole - A covered handhole and grounding provision with hardware is provided.

Nut Covers - Anchor bolt nut covers with hardware are provided.

Full Base Cover - Optional two-piece full base cover is fabricated from ABS plastic. Valmont reserves the right to provide an optional two-piece steel full base cover on some applications depending upon the finish requirement and/or pole base diameter.

Anchor Base - The anchor base (base plate) conforms to ASTM A36.

Anchor Bolts - Anchor bolts conform to ASTM F1554 Grade 55 and are provided with two hex nuts and two flat washers. Bolts have an "L" bend on one end and are galvanized a minimum of 12" on the threaded end.

Hardware - All structural fasteners are galvanized high strength carbon steel. All non-structural fasteners are galvanized or zinc-plated carbon steel or stainless steel.

Finish - Standard finishes are galvanized, prime painted or any of Valmont's V-PRO™ Protection Systems. Additional finish options available upon request.

Design Criteria - Please reference Design Criteria Specification for appropriate design conditions.

VALMONT INDUSTRIES, INC.
STANDARD TERMS AND CONDITIONS OF SALE

AGREEMENT: This document ("Document") contains the standard terms and conditions of sale by Valmont Industries, Inc. ("Supplier"), to Purchaser, of products, materials, other goods, equipment, operations, or services ("Product"). If this Document is a quotation, then the offer contained herein shall remain open for thirty (30) days from the date it was issued, unless otherwise specified, and Purchaser shall be deemed to have accepted the offer and terms and conditions contained herein upon the earlier of: (1) Purchaser's signature and return of this Document to Supplier by fax or any other means; (2) Supplier's receipt of any order or any other writing from Purchaser indicating Purchaser's acceptance and agreement to the terms hereof; or (3) Purchaser's acceptance of any shipment of Product. Whether this Document is a quote, an invoice, or otherwise, the terms and conditions of the parties' agreement shall consist solely of the terms and conditions contained in this Document, together with any separate written agreement previously executed by both Purchaser and Supplier, any invoices generated in connection herewith, and any written addenda to the foregoing that are signed by Purchaser and Supplier (all of which are hereinafter collectively referred to as the "Agreement"). Any additional or different terms contained in any order or other document submitted by Purchaser to Supplier shall be deemed rejected, unless expressly accepted in writing by Supplier. In no event shall Supplier's silence or failure to respond to any such additional or different terms be deemed to constitute acceptance or approval thereof. If this Document is a quotation, then failure of the Purchaser to reject these terms and conditions in writing upon the first to occur of the receipt of this or any other document from or on behalf of the Supplier containing these terms and conditions or the delivery of Product pursuant to the Agreement shall constitute final acceptance of the terms and conditions hereof. To the extent this invoice is in any way deemed to be an acceptance of an offer of the Purchaser, any such acceptance of the Supplier is expressly conditioned upon the consent of the Purchaser to the terms and conditions of the Agreement.

MODIFICATIONS, RESCISSION & CANCELLATION: The Agreement may be modified or rescinded only in writing signed by duly authorized representatives of the parties. For any changes requested by Purchaser to the specification, style, or quantity of the Product, Purchaser shall pay the Supplier a charge equal to the actual additional cost incurred by the Supplier as a result of such change plus a reasonable percentage of such actual cost for overhead and profit. Orders may be canceled only with Supplier's written consent and upon terms which will save Supplier from loss, including all out-of-pocket costs and lost profits.

LIMITED WARRANTY: Supplier warrants the Product to be free of material and workmanship defects for a period of one year from the date of shipment, but said warranty is limited to material and workmanship of Product designed and manufactured by the Supplier. For any product manufactured using items supplied by Purchaser or Purchaser's designee, Supplier makes no warranty concerning the design, fabrication, or manufacture of the items supplied. Such items shall carry only the respective designer's, fabricator's, or manufacturer's warranty, if any. For product manufactured or fabricated by Supplier according to specifications or designs provided by Purchaser or Purchaser's designee, Supplier makes no warranty concerning the adequacy or sufficiency of the specifications or designs themselves. All warranty claims alleging defects of materials or workmanship must be submitted in writing within seven (7) days after the discovery of the defect or such claim shall be considered waived. Supplier will not accept Product returned to it for repair or replacement, unless Supplier is previously notified of the defect in writing and the return or correction is authorized by Supplier in writing. Any Product deemed by Supplier, in its sole discretion, to be defective in material or workmanship will be repaired or replaced, at Supplier's option, F.O.B. Supplier's plant. Supplier's obligation to repair or replace any defective Product shall not include any obligation to reimburse the Purchaser for transportation, installation, removal, unauthorized repairs, or any other expenses that may be incurred by the Purchaser or others in relation to any Product defect. **THIS WARRANTY EXCLUDES (I) FATIGUE FAILURE OR SIMILAR PHENOMENA RESULTING FROM INDUCED VIBRATION, HARMONIC OSCILLATION OR RESONANCE ASSOCIATED WITH MOVEMENT OF AIR CURRENTS AROUND THE PRODUCT, FURTHER, LABOR REQUIRED TO REMOVE AND/OR REINSTALL ORIGINAL OR REPLACEMENT PARTS SHALL BE THE RESPONSIBILITY OF THE CUSTOMER; (II) DAMAGE CAUSED BY IMPROPER INSTALLATION, OVERLOADING, MISUSE, ABUSE, ACCIDENT OR NEGLIGENCE.** In addition, this warranty does not cover alterations, modifications, or additions unless the change is acknowledged and accepted, in advance in writing, by Valmont; and (iii) if the products are to be used on an existing foundation or on other structures, the customer assumes all responsibility for the structural integrity of the existing foundation, anchorage or structures and all the consequences arising therefrom.

THE FOREGOING WARRANTIES ARE THE ONLY WARRANTIES GIVEN BY SUPPLIER, AND SUPPLIER HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHETHER ARISING FROM STATUTE, COMMON LAW, CUSTOM, COURSE OF DEALING, USAGE OF TRADE, OR OTHERWISE. THE REMEDY OF REPAIR OR REPLACEMENT OF THE DEFECTIVE PRODUCT SET FORTH IN THE FOREGOING WARRANTIES SHALL BE THE EXCLUSIVE REMEDY AVAILABLE TO ANY PERSON. SUPPLIER SHALL NOT BE LIABLE FOR ANY LOSS, INJURY, EXPENSE, OR DAMAGE, WHETHER DIRECT, CONSEQUENTIAL, INCIDENTAL, OR OTHERWISE (INCLUDING LOST PROFITS, LOSS OF CONSTRUCTION BONUS OR INCENTIVES), RESULTING FROM THE POSSESSION, INSTALLATION, ERECTION, START-UP, USE, MAINTENANCE, OPERATION, REMOVAL, OR RESALE OF SUPPLIER'S PRODUCT OR CAUSED BY ANY DEFECT, FAILURE, OR MALFUNCTION OF ANY PRODUCT, WHETHER A CLAIM FOR SUCH DAMAGES IS BASED UPON WARRANTY, CONTRACT, NEGLIGENCE, OR OTHERWISE. NO PERSON HAS THE AUTHORITY TO BIND THE SUPPLIER TO ANY REPRESENTATION OR WARRANTY OTHER THAN THE FOREGOING LIMITED WARRANTIES AS DISCLAIMED.

DELIVERY, FREIGHT & RISK OF LOSS: All products are sold F.O.B. factory, full freight allowed within the continental United States, consisting of the lower 48 contiguous states, unless otherwise specified in writing. For shipment destinations outside the continental U.S., freight charges will be prepaid to the nearest port of exit with all other applicable charges from said point of delivery being the responsibility of the customer, unless otherwise noted. The method of shipment will be solely determined by Valmont, using a common carrier of Valmont's choice and delivered to the nearest destination. The customer assumes and will pay all charges for special services such as cartage, airfreight, express deliveries, parcel post and multiple deliveries on one order. For orders less than \$1,500, freight may not be included and may be prepaid and charged to the customer. Orders below \$500 may incur a processing fee. Freight charges for anchor bolts or accessories shipped independent of the structures (at the customer's request) may be billed separately and paid by the customer, unless otherwise specified in writing. Risk of Loss, including transportation delays and losses, shall pass to Purchaser upon the earlier of (i) completion of the Product's manufacture, if shipment is delayed by Purchaser, (ii) delivery of the Product to the Purchaser in cases where shipment is F.O.B. destination, or (iii) delivery of the Product to the carrier in cases where shipment is collect or is F.O.B. point of shipment.

PRICING: All prices and discounts are subject to change without advance notice except those shown on a specific quotation indicating the prices to be firm for thirty (30) days from the date of the quotation. For quotations accepted by Purchaser, Purchaser agrees that if the contract documents or designs or the prices of raw materials change from that contained in the quotation, Supplier has a right to charge additional compensation for increased costs, including, without limitation, costs related to freight and raw materials, as well as for increased margin associated therewith. Orders delayed or put on customer hold may not be price protected beyond the date of a general price increase announcement.

RETURNS & CLAIMS FOR SHORTAGES: Supplier will not accept returns for custom-made Product for any reason, provided that Supplier will accept returns made solely for repair or replacement under the foregoing express warranties, but only if Supplier has previously authorized said returns in writing. Standard (non-custom) Product may not be returned without the written consent of Supplier obtained within thirty (30) days after shipment, and only upon the following conditions: (i) all returned Product must be in excellent and merchantable condition and in the original packaging; (ii) the outbound and return freight must be pre-paid; and (iii) the return is subject to certain charges depending on current pricing and product. All claims for shortages must be made in writing within 30 days of receipt of shipment at destination.

PRODUCT SHIPPED WITH PROTECTIVE COVERING: Product received at the point of destination with protective covering should be unwrapped immediately and inspected. Any exposure to moisture during transportation or storage may cause the wrapping materials to stain the Product. Product is wrapped for protection during shipment.

INSTALLATION: Purchaser shall be solely responsible at its cost for the installation and erection of the Product purchased. Although Supplier may, in some cases, provide data, manuals, instructions, designs, drawings or specifications to aid Purchaser with installation or start-up, SUPPLIER ASSUMES NO RESPONSIBILITY FOR PROPER INSTALLATION OR SUPPORT OF THE PRODUCT WHEN ERECTED AND DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTIES WITH RESPECT TO SUCH INSTALLATION OR SUPPORT, WHETHER OR NOT DATA, MANUALS, INSTRUCTIONS, DESIGNS, DRAWINGS OR SPECIFICATIONS ARE PROVIDED.

DELAYS: Supplier will deliver or ship with reasonable promptness, but shall not be liable for delays for any reason beyond the Supplier's reasonable control, including, but not limited to, delays caused by acts of God, war, riot, embargoes, acts of civil or military authorities, fires, floods, accidents, quarantine control, restrictions, mill conditions, strikes, differences with workmen, delays in transportation, shortages of cars, fuel, labor or materials. IN ANY SUCH EVENT, SUPPLIER SHALL HAVE SUCH ADDITIONAL TIME WITHIN WHICH TO PERFORM AS MAY BE REASONABLE AND NECESSARY UNDER THE CIRCUMSTANCES, AND SUPPLIER SHALL NOT BE LIABLE TO PURCHASER FOR ANY DAMAGES ARISING FROM SUCH DELAYS, LOSS OF USE OR FOR OTHER DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES OF ANY KIND WHATSOEVER. IN NO EVENT SHALL SUPPLIER BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR CLAIMS FOR LABOR RESULTING FROM FAILURE OR DELAY IN DELIVERY.

CREDIT APPROVAL & SECURITY FOR PAYMENT: Acceptance of any offer of Supplier is subject to Supplier's approval of Purchaser's credit, and Supplier may at any time decline to make any shipment or delivery, or to perform any services, except upon receipt of payment or security, or upon such other terms as may be satisfactory to Supplier. To secure the payment of any and all amounts due Supplier under this Agreement or any other contract between the parties, Supplier retains and the Purchaser grants to Supplier a security interest in the Product purchased hereunder and agrees to execute and deliver to Supplier such financing statements or to take any other action necessary to perfect Supplier's security interest as Supplier may reasonably request.

TERMS, INVOICES, PAYMENT, LATE CHARGE & TAXES: Payment terms are NET thirty (30) days from the date of Supplier's invoice, unless otherwise specified and approved in advance in writing from the Valmont Credit Department. Invoices will be rendered upon delivery of each order to Purchaser. All payments shall be made to the "remit to" location as stated on the Supplier's invoice. Supplier reserves the right to invoice, and Purchaser agrees to pay for, any or all Product ready for shipment, together with expenses, costs, and losses associated therewith, whenever shipment is delayed pursuant to Purchaser's written instructions or for other reasons beyond Supplier's control. Invoices for anchor bolts shipped in advance of the structures may be billed at the time of such anchor bolt shipment. A monthly late charge of 1.5% of the invoice amount or \$50, whichever is greater, will be assessed on all past-due amounts. Any tax or other charge imposed by law on the sale of goods or the performance of services shall be paid by the Purchaser, unless the law specifically provides that such payment must be absorbed by Supplier. Purchaser shall inform the Supplier, in advance in writing, of such taxes or other charges imposed by state, municipal, or other law that are to be paid by the Supplier.

DEFAULT OF PURCHASER: In the event that (i) Purchaser fails to pay any invoice when due; (ii) Purchaser breaches this Agreement or any other contract with Supplier or any of its affiliated companies; or (iii) Purchaser's financial strength becomes unsatisfactory, Purchaser shall thereby be in default, and Supplier reserves the right, in its sole discretion, to do any one or more of the following: (i) cancel this Agreement and any work in progress, shipments, and pending orders without further notice; (ii) declare all sums owing from Purchaser to Supplier to be due and payable; (iii) require payment in advance of performance, in certified funds; (iv) foreclose any security interest; (v) require other security satisfactory to Supplier. Purchaser shall be liable to Supplier for any and all damages, whether direct, indirect, consequential, special or any other kind of damages, caused by or arising out of any breach of this agreement. The Purchaser waives any applicable statutory exemptions and shall pay all expenses incurred by Supplier in the collection of the amounts due under the Agreement, including attorneys' fees.

INDEMNIFICATION & GOVERNING LAW: Purchaser shall indemnify and hold Supplier harmless from all expenses (including attorneys' fees), claims, demands, suits, judgments, actions, costs, and liabilities (including without limitation those alleging Supplier's own negligence) which may arise from, relate to, or be connected with the Purchaser's possession, installation, erection, start-up, use, maintenance, operation, removal, or resale of the Product described herein and any manuals, instructions, designs, drawings or specifications related thereto. All disputes relating to the execution, interpretation, construction or enforcement of the rights and obligations of the parties hereto shall be governed by the laws of, and resolved in the State and Federal courts in the State of Nebraska, and the parties hereby consent to venue in Omaha, Nebraska. **THE PURCHASER AND SUPPLIER EACH HEREBY WAIVE THEIR RIGHT TO A TRIAL BY JURY ON ANY CLAIM (INCLUDING COUNTERCLAIMS) ARISING WITH RESPECT TO THE GOODS PURCHASED HEREUNDER.** Any lawsuit based on or related in any way to the Agreement or the Product described therein must be commenced within one (1) year after delivery of the Product or other goods to the Purchaser or it shall be barred.

REQUEST FOR COUNCIL ACTION

DATE:	TITLE:
October 6, 2015	Domestic Violence Proclamation
ORIGINATING DEPARTMENT:	TYPE OF ACTION:
Administration	<input type="checkbox"/> ORDINANCE <input type="checkbox"/> RESOLUTION <input checked="" type="checkbox"/> FORMAL ACTION <input type="checkbox"/> OTHER

RECOMMENDATION:

I recommend that the City Council adopt the enclosed Domestic Violence Proclamation.

FISCAL NOTE:

- There is no cost associated with approving this proclamation.

DISCUSSION:

This proclamation recognizes the month of October 2015 as Domestic Violence Awareness Month.

Respectfully submitted,

Glenn Rodden
City Administrator

Domestic Violence Awareness Month Proclamation

Whereas, 1 in every 4 women will experience domestic violence during her lifetime;

Whereas, approximately 15.5 million children are exposed to domestic violence every year;

Whereas, when a family member is abused, it can have long-term damaging effects on the victim that also leave a mark on family, friends, and the community at large;

Whereas, families are indispensable to a stable society, and they should be a place of support to instill responsibility and values in the next generation;

Whereas, domestic violence is widespread and is devastating to society as a whole, but particularly women and children;

Whereas, violence against women and children is a prevalent social ill due to the historical imbalance of power in gender and age;

Whereas, the problem of domestic violence is not confined to any group or groups of people, but crosses all economic, racial, gender, educational, religious, and societal barriers;

Whereas, the crime of domestic violence violates an individual's privacy, dignity, security, and humanity due to the systematic use of physical, emotional, sexual, psychological, and economic control and/or abuse;

Whereas, victims should have help to find the compassion, comfort, and healing they need, and domestic abusers should be punished to the full extent of the law;

Whereas, local programs, state coalitions, national organizations, and other agencies nationwide are committed to increasing public awareness of domestic violence and its prevalence, and to eliminating it through prevention and education;

Whereas, the United States President and Congress as well as other federal agencies have expressed a commitment to eliminating domestic violence both nationally and internationally;

NOW THEREFORE, in recognition of the important work done by domestic violence programs and victims' service providers, I do hereby proclaim the month of October 2015 as Domestic Violence Awareness Month.
