LESSOR

City of Beloit • 502 E 12th • Beloit, Kansas 67420 • 785-738-3781 or 785-738-3551

RENTAL EQUIPMENT. The equipment to be rented is a home made gas grill trailer mounted. The accessories are two 25.9 lb LP bottles with gages and regulators, trailer jack, utensil box with (1-steel brush, gas log lighter, 2-tongs, 1-fork and 3-spatulas).

RENTAL PAYMENT. Amount of payment shall be twenty-five dollars (\$25) per day. A day shall start no sooner than 3:00 p.m. the work day before and end no later than 10:00 a.m. of the next work day. All checks shall be made payable to the City of Beloit.

LOCATION. Equipment can not be taken outside the city limits of Beloit without written permission from the City Administrator.

INDEMNITY. Lessee shall indemnify lessor against and hold lessor harmless from any and all claims, actions, suits, proceedings, costs, expenses, damages and liabilities, including reasonable attorney fees arising out of, connected with, or resulting from the property subject to this lease, including but not limited to the manufacture, selection, delivery, use operation or return of such property.

LOSS OR DAMAGE. Lessee assumes and shall bear the entire risk of loss, theft, destruction or damage of or to any part of the equipment ("loss or damage") from any cause whatsoever, whether or not covered by insurance, and not such loss shall release lessee of its obligation under this agreement in the even of loss or damage. Lessee, at the sole option of lessor, shall (a) at lessee's expense, repair the equipment to the satisfaction of lessor; or (b) at lessee's expense, and to the satisfaction of lessor, replace the equipment with similar or like equipment in good condition and repair and of comparable value; or (c) make payment to lessor the amount of \$500.00.

CAUTION

The lid must be open at all times when in use. The flame can go out if lid is closed so always keep lid open when gas is on.
Do not adjust regulator valves. Regulators are pre-set and should not be adjusted.

Starting directions:

Open lid.

Turn a PL bottle on (only one bottle at a time is needed).

Make sure ¼ turn burner valves are turned off.

Light gas log lighter and stick it into one of the lighting holes adjacent to the ¼ turn valves.

Turn the ¼ turn valve for that burner on.

Burner will light.

Repeat 4-6 for other burner.

The cautions and instructions have been explained to me.
